

20' x 10' Vista design with Clear Anodized frame and Obscure glass

It's the perfect reflection of your style. The modern industrial look goes residential with the introduction of the Vista Collection. From the outside, these sleek doors perfectly mirror the clean lines and glass expanses of your home's contemporary design. Inside, they transform your garage into a bright and inviting room.

16' x 7' Vista design with Bronze Texture frame and Frost glass

VISTA COLLECTION

Construction

A Vista full view door offers strength and beauty to match the stylish design of your home.

- 2" thick extruded commercial-grade aluminum frame provides durability, low maintenance and corrosion resistance
- Tongue and groove section joints and bottom weather seal provide additional protection against the elements
- ClearView Aluminum Strut System does not restrict viewing area and adds strength and durability to doors; available up to 24' wide doors
- Wind load options available to meet local building codes
- Attractive, modern exterior handles (2) included
- Available in 21" and 24" section heights; and 18" for odd height doors
- Available in 1" width increments
